SUMMARY

Computer Science undergraduate at Trincomalee Campus, Eastern University of Sri Lanka, with hands-on experience in full-stack web and mobile application development. Skilled in React, Python, Java, SQL, and modern software engineering practices, with practical experience building and deploying cloud-based applications using Flask, MongoDB, and Vercel. Passionate about developing scalable software solutions, solving real-world problems, and continuously learning emerging technologies.

KEY PROJECTS

Smart Marine Safety System for Coastal Fishermen Using Real-Time Tracking and Weather Intelligence (Final Year Research Project) *React, React-Native, Java Flask*

- Developed a cloud-based maritime safety solution integrating GPS tracking, geofence alerts, and centralized monitoring to improve offshore fisherman safety and emergency response.

Nuwara Eliya Undergraduate Association Website *React, Vercel*

- Developed and deployed a responsive web application for the Nuwara Eliya Undergraduate Association using React and Vercel, focusing on accessibility, usability, and organizational visibility.

221B, Baker Street *MongoDB, Express.js, React, Node.js*

- Built a full-stack MERN web application for tracking and managing Sherlock Holmes novels and stories, featuring automated PDF ingestion and content organization.

LMS Redesign *HCI, Figma*

- Redesigned a Learning Management System interface focusing on usability, accessibility, and user-centered design principles.

Chess Clock *React Native, TypeScript, Node.js*

- Developed a customizable mobile chess timer app with live countdown functionality, notifications, and sound alerts.

TECHNICAL SKILLS

- Programming Languages: Java, Python, JavaScript, PHP, SQL, C++
- Web Technologies: React, React Native, Flask, Node.js, HTML, CSS
- Tools & Platforms: GitHub, Vercel, MongoDB, Google Colab, Figma, Selenium

SOFT SKILLS

- Communication, Teamwork, Leadership, Problem Solving

EDUCATION

BSc in Computer Science (Reading) | Trincomalee campus, EUSL *July 2023- Present*

- Relevant Coursework: Software Engineering, Object-Oriented Programming, Data Structures & Algorithms, DBMS, Computer Networks

CERTIFICATIONS & AWARDS

- IT Essentials Certification - Cisco (2025)
- Semi-Finalist - SLIoT Challenge 2026
- Finalist - YGC Innovative Festival 2025 (Team TechGenZ)

LANGUAGES

- English, Tamil (Native), Sinhala.
